To Whom It May Concern,

I'd like to recommend Berkshire Poker as an organization that helped run a successful, relatively simple fundraiser for the Friends of Eleanor Sonsini Animal Shelter, Inc., a Berkshire County non-profit organization.

As Chair of the Board of the shelter, raising money is a key concern of mine. Our Board found that poker tournaments are a venue that is popular, yet not prevalent in the Berkshires. Berkshire Poker was professional, reliable, and handled every detail of their responsibilities without a hitch. They also educated us about what we needed to do to help the tournament be a success.

They were a pleasure to work with, and we intend to continue to use them regularly to help us in our fundraising efforts.

Sincerely,

Carol Lew
Chair of the Board
